Log In to PEOWebHR to View Employee Information

- 1) Go to the web address **www.PEOWebHR.com**
 - Click **Employee Login**

- 2) Click **OK** if a window appears about pages viewed over a secure connection

- 3) Login to the system
 - Username = **Your 9 digit Employee ID number**
 - Password = **Default is your SSN**

Login to Compensation Solutions PEOWebHR

Please Enter Your Login Information

Username:

Password:

Employees:
Your Employee ID Number is your Username.
Your Social Security Number is your default temporary Password.

All Users:
Passwords are case-sensitive.

By pressing the "Logon" button, you affirm that you understand and accept the terms and procedures of our [Privacy Policy and Disclaimer](#).

Temporary passwords are provided for your convenience. In order to maintain your personal security, CSI recommends that you change your password immediately upon logging in for the first time. Passwords must be between 7 and 20 characters long and should contain both letters and numbers. Once logged in, you can find the change password link on the left side of your screen (for employees, employers and managers, please contact CSI to change your password.)

This site requires a resolution of 1024 x 768 or higher.

CSI recommends using MS Internet Explorer 8.0+ or Mozilla Firefox 3.0+ for PEOWebHR.

- 4) If you've never logged in before, the system will ask for your birth date to verify your identity and ensure that you have a security question and email address on file.
- 5) If you forget your password:
 - Click the **Forget your password?** button
 - Answer a few questions to identify yourself
 - Your password will be sent to your e-mail address

- 6) Links
 - **My Employee Data** – shows payroll, benefits, tax, dependent info, etc
 - There are also links to **Check History, SkillsTesting, the CSI Training Calendar, and Forms & Benefits Applications/SPDs.**

 **Welcome JOHN PUBLIC!** 

Welcome to your PEOWebHR Dashboard. Here you can find links to all of the components of the PEOWebHR site. Click on a link to be brought to a specific area; click the 'Return to Main' button on the new page, at any time, to return to your PEOWebHR Dashboard.

<p>Employee Data</p> <p>Employee Data Center will take you to the heart of the VPN Website: your Employee Information. Here you will be able to view information on payroll, benefits, taxes, training certifications, payrate changes, deductions, and dependents.</p>	<p>My Document Center</p> <p>My Document Center is a central place to store all the documents you wish your employees to access. This link will let you see the list of files that both you and CSI have currently made available to your employees.</p>	<p>Preferred Vendors List</p> <p>My Preferred Vendors is a list compiled by Compensation Solutions as the best possible source for Employee/Employer service or product needs. We have asked each Vendor to provide either a premium service or additional discount as a condition of being selected a CSI Preferred Vendor.</p>
<p>Check History</p> <p>Using Check History, you can view details on any check that you have received while being on CSI's program. You can also reprint these checkstubs in PDF format to keep for your own personal records.</p>	<p>W2 Reprint</p> <p>Using the W2 Reprint feature, you can reprint your W2 without having to contact CSI. Your W2 can be reprinted for any past year in which you were paid by CSI.</p>	<p>CSI Training Calendar</p> <p>CSI's Training Calendar lists upcoming training events that CSI is sponsoring. This training can be anything from a webcast to a live training seminar offered at your client site. Use the Training Calendar to keep track of upcoming events, manage your registration for these events, and download reminders to your personal calendar.</p>
<p>Training History</p> <p>Use Training History to view a summary of all the training you have completed and are currently scheduled to attend. You can also download supplemental materials to your training on this page, as well as reprint your certificates for all training you have completed.</p>	<p>SkillsTesting</p> <p>SkillCheck provides skills tests and behavioral assessments to help you effectively measure job knowledge, skills and abilities in clerical, IT, call center, food services, retail sales, light industrial, accounting, behavioral, medical and legal areas. If prompted for a password, enter Software</p>	<p>WebHR Library</p> <p>The WebHR Library is a central area where all employees may enter and view HR Training, Software Training, Safety Newsletters, Retirement Planning, Preferred Vendor Offerings, Forms and Applications. It also contains links to the members area for CSI vendors such as Healthnet, VSP and Delta Dental.</p>
